

WOMAN'S CLUB TO GIVE BENEFIT TONIGHT AT OPERA HOUSE

Dramatic Committee of Women's Club Has Arranged Attractive Playette and Style Review in Addition To Big Picture.

Friday night will be Women's Club night at the Washington theater and from the report on the advance sale of tickets, it appears that there will be a very large audience to see the annual public entertainment by this civic organization.

In addition to a special feature moving picture, there will be a short play entitled "Joint Owners in Spain," presented by a cast of four members of the Woman's Club and following this play, which in itself is said to be worth the price of admission, there will be a style review of the latest thing in fashion's decree for the year 1922. This review will be given by living models and promises to be quite interesting and instructive.

The proceeds of the evenings' entertainment will be shared in by the Woman's Club and the officers and members of that club hope to realize a neat sum for their club treasury. Those who have not already purchased tickets should do so at once and by all means should not miss Friday evening's entertainment of the very highest sort.

HAVE YOU FORGOTTEN YOUR WATER BILL?

All water bills not paid by October 30, 1922, will be checked and placed on our shut off list, and service shut off without further notice. We have no collectors. This is final notice.

GROWERS MUST SIGN BY NOVEMBER 6th

November 6th Is Absolutely Last Day For Joining Pool for This Year.

No tobacco grower will be allowed to sign his crop after the books of the Burley Tobacco Growers' Co-operative Association, as ordered by the directors, close for the year on November 6. In response to an inquiry by Chairman Buford E. Allen, of Fayette county, President and General Manager James C. Stone Thursday sent Chairman Allen a letter in which he states that if the growers want to come in and sell through the association it will be necessary for them to sign by November 6.

President Stone's letter to Chairman Allen follows: "Replying to your inquiry as to whether or not any one will be allowed to join the association after the closing day we have set, November 6, will say that if any grower wants this year's crop handled through the association it will be absolutely necessary for him to sign the contract before November 6.

"We are not going to allow the man on the outside to see how the loose leaf markets open, and if he does not like the prices to them bring his tobacco to the association.

"This decision is final and I would be glad for you to give this information to your organization.

"Very truly yours,

"JAMES C. STONE,

"President and General Manager."

Mr. Allen made the letter public by giving it to the press Friday afternoon.

VANCEBURG SENIORS ROUGH IN THEIR HAZING.

Vanceburg, Ky. The young men, members of the senior class at the Lewis County High School, captured Joseph Waring, a freshman, and cut a strip of hair across the top of his head, peeling it close with barber's clippers.

This was done as a part of a hazing program which the seniors have been carrying on. The hazing performance, in this case, called forth considerable resistance, and three of the young men were heard at the High School auditorium Thursday evening. Not recently either on lyceum or chautauqua has a Maysville audience been more delighted than they were Thursday night. The company is well balanced and every member is an artist. Miss Hunt has a rare voice under perfect control.

PONY DIES.

ALIBI OFFERED BY RECTOR'S WIFE FOLLOWING STATEMENT

"Confession" of Mrs. Jane Gibson Brings Forth an Alibi for Preacher's Wife and Brother.

New Brunswick, N. J., Oct. 27.—A statement asserting Mrs. Frances N. Hall, did not leave her home on the night of the Hall-Mills murder and that her brother, Henry Stevens, was not in New Brunswick that night was issued today by Timothy Newell Pfeiffer, attorney for Mrs. Hall.

Pfeiffer said he had conclusive evidence to this effect. Characters in the murder drama who have been named in an affidavit by Mrs. Jane Gibson will be brought before the new prosecutor for questioning.

A man, who now is believed to have been an unwilling eye-witness to the killing of Dr. Edward W. Hall and Mrs. Eleanor Mills, was to appear first before Wilbur A. Mott and his assistants.

From the statement of this man the prosecutor hopes to learn whether he has sufficient evidence warrant arrest of the "Woman in the gray coat," named by Mrs. Gibson as a participant in the slaying.

"No one has been eliminated," was the announcement of authorities on the eve of examination of families and intimate acquaintances of the two victims.

Mott announced he would obtain sufficient evidence to convict if possible, before making an arrest. He said he could arrest a woman in the case at the present moment if he desired.

The whole case appeared to hinge upon the accuracy of Mrs. Gibson's statement.

NEAR RIOT OVER VACCINATION ORDERS

Lecture at Ft. Thomas Scene of Near Riot When Parents Object To Vaccination.

Newport, Ky., Oct. 26.—The auditorium of the Ft. Thomas high school was the scene of a demonstration against vaccination that bordered on the riotous, when F. M. Callender, representing a Cincinnati drug company, gave an illustrated lecture.

The lecture, which was under the auspices of the Mothers and Teachers' club, and at the invitation of Dr. F. H. Southgate, Ft. Thomas health officer, was illustrated with stereopticon slides, showing various stages of small-pox, as argument for the vaccination of school children.

Parents of Campbell county have become considerably incensed recently over the enforced vaccination of their children, which was launched a few weeks ago, has gained favor steadily since its inception. It originated in the case of a child which was barred from the public school because of its parents' refusal to let it be vaccinated.

Through the district and appellate courts of Kentucky to obtain an injunction against the school board.

Many of the anti-vaccinationists were present at the lecture, and when Mr. Callender, after showing the slides and the ensuing fight of the parents through the district and appellate courts of Kentucky to obtain an injunction against the school board.

During the afternoon meeting a resolution was passed urging the purchase of Ashland, the historic home of Henry Clay, as a public park for the City of Lexington and as a hallowed shrine for all Americans. This action was taken by the body following a recommendation to this effect made by Mrs. W. T. Lafferty Wednesday night and endorsed by Judge Samuel M. Wilson.

The next session of the Daughters of the American Revolution will be held the second Wednesday in March at Stanford, the by-laws on the line of meeting having been amended during the afternoon session to read March instead of October, at which time the meetings were formerly held.

UPPER CLASSMEN'S NIGHT AT HIGH SCHOOL.

MR. ROBERT LEE STRAUS' ENGAGEMENT ANNOUNCED.

Mr. and Mrs. S. Straus announce the engagement of their son, Robert Lee Straus, to Miss Ethelyn Cohen, of Chicago.

LAW-BREAKING IS SCORED BY D. A. R. OF KENTUCKY

Colonial Society Condemns Unions' Action — Next Meeting Is To Be Held At Stanford.

Lexington, Ky., Oct. 27.—Declaring that the labor unions of the country, preclaiming their right to strike, have violated the sacred constitutional right of other men by preventing them from working, the Daughters of the American Revolution in twenty-sixth annual convention at the Lafayette hotel yesterday adopted a resolution in vigorous condemnation of such action. The resolution called upon those in authority, both state and national, to bring to speedy trial all lawbreakers and to mete out to them swift and sure justice.

Following a discussion which occupied practically the entire afternoon session, it was decided to abandon the project of a mountain school for the present time. The action was taken by the conference following the abandonment of the state council of the school already organized at Hueysville because of an alleged defect in the title to the land and was occasioned by the unwillingness of the Daughters to commit themselves to so large an undertaking as a mountain school with the limited funds at their disposal.

During the afternoon meeting a resolution was passed urging the purchase of Ashland, the historic home of Henry Clay, as a public park for the City of Lexington and as a hallowed shrine for all Americans. This action was taken by the body following a recommendation to this effect made by Mrs. W. T. Lafferty Wednesday night and endorsed by Judge Samuel M. Wilson.

The next session of the Daughters of the American Revolution will be held the second Wednesday in March at Stanford, the by-laws on the line of meeting having been amended during the afternoon session to read March instead of October, at which time the meetings were formerly held.

LEXINGTON CHOSEN FOR EASTERN STAR MEETING

Next Annual Meeting of Grand Chapter Eastern Star To Be Held In Lexington.

Louisville, Ky., Oct. 27.—Lexington was selected as the 1922 convention city of the Grand Chapter, Order of the Eastern Star, which will meet there on the fourth Tuesday in October next year, it was decided yesterday at the closing session of the order at the Scottish Rite Cathedral.

Conventions of the order will alternate between Louisville and Lexington in the future, because the increased membership has made it too difficult for smaller towns to take care of such a large body of delegates, it was said in explanation of the decision. The Grand Chapter will bear all the expense of the convention.

The Grand Chapter yesterday voted \$500 to the Million Dollar Committee of the Masonic Widows and Orphans Home, and voted to transfer \$1,000 from the general fund to the O. E. S. Home fund.

Grand Chapter officers, elected Wednesday, were installed yesterday afternoon. The evening session was devoted to memorial services for Mrs. Anna O. Young, of Ludlow, past grand matron, and W. B. Montgomery, past grand patron, who died last year. Mrs. Pallie Claggett of Lettichfield, past grand matron, delivered the eulogy, and Mrs. Margaret J. Diecks, of Louisville, the memorial address.

LAD DIGS HOLE IN COUNTY JAIL AND MAKES ESCAPE

At West Union a Second Time and Makes Good His Escape—Jail Is Hoodooed.

West Union, Ohio. — William Brannum, 19, of near Rarden, who broke jail about two weeks ago and was recaptured two hours later, broke jail again Sunday evening and has not been found. Two weeks ago Brannum dug out enough bricks to make a hole big enough for him to escape, but he had gone only a few minutes when he was missed. An alarm was given and two hours later he was re-arrested near Peebles.

Sunday he escaped in the same way. He broke a piece of iron from his bed and dug out the mortar between the bricks of the side-wall. When the jailer went into the cell for the night the prisoner, the only one in the jail, was gone. A hole in the wall showed where he had made his escape.

Brannum was arrested about two months ago for alleged breaking into a home near Mineral Springs. He has been held in jail to await action by the grand jury. Brannum spent about five years in a reformatory.

Mrs. Thomas Riley, who has been the guest of Mrs. Con. Flanagan, of East Second street, has returned to her home in Lexington.

Mr. Theo. Kirk, of the R. J. Reynolds Tobacco Company, Lexington, was in Maysville Friday on business.

COMMENT

This is "Good Health Week." Why not have your family physician give you the once over to see that you are fit for the winter? A wise man once said: "An ounce of prevention is worth a pound of cure." Medical inspection in the public schools is saving our children much future pain and their parents much money.

"Price For Moon," says a headline in the Cincinnati Post. No, a Cincinnati slicker has not tried to sell a backwoods visitor the moon although the Union Central building has been sold some several times. It's a headline on another moonshine story.

The State National Bank deserves the hearty applause of all for its interest in the youth of our community. Its school Thrift System, in years to come will prove of incalculable worth to the children who learn the big lesson of saving through the deposit of their nickels and dimes at school. The Pig Club inaugurated by this bank will stimulate interest in swine not only among the children but among the grown-ups as well. It's indeed encouraging to see a bank take these forward steps investing in the future men and women of the district.

The Court of Appeals of Kentucky has again plainly stated that the management of the schools and school finances is entirely in the hands of the Boards of Education and that the fiscal bodies called upon to levy taxes must not question the levies demanded by the School Boards but must levy such taxes as the Board shall demand. The Court of Appeals has so often thus ruled that the Fiscal Courts and City Councils should by this time awaken to the fact that the control of all school matters is vested in the Boards of Education by law.

The season of the year has arrived when we usually begin to think seriously about a Corn and Tobacco Fair but it appears that the "Pool" is "again" the "Tobacco Fair" and this section is strictly "in the pool," therefore it's very likely this will be another year without a Tobacco Fair in Maysville.

During the course of a trial in the Lexington Police Court a few days ago the defendant and the chief prosecuting witness, both women, started a hair pulling. It is said that the Police Judge was so interested that he said: "Let them go to it," while the Police Chief and his men looked on highly entertained. The Lexington Leader says the occurrence was a disgrace to the city and charges the judge with malfeasance. We might suggest to the Lexington officers who seem to enjoy a bout that Kentucky has a Boxing Commission which might permit them to stage their fights at a pretty neat admission price, provided the state is given a rake-off.

The time is nearing for the removal of all porch furniture, gates and

other, movable things to the zone of safety. Next Tuesday is Halloween and boys are still boys.

A THOROUGH TEST

One To Convince the Most Skeptical Maysville Reader.

The test of time is the test that counts. Doan's Kidney Pills have made their reputation by effective action. The following case is typical. Maysville residents should be convinced.

The testimony is confirmed—the proof complete. Testimony like this cannot be ignored.

George H. King, prop. grocery store, 615 East Second street, Maysville, says: "I have used Doan's Kidney Pills off and on for several years and have been greatly benefited by them. At times my kidneys got out of order and the secretions passed irregularly. I suffered with a severe aching through the small of my back. When I had one of these attacks I used Doan's Kidney Pills and they never failed to cure the complaint." (Statement given November 15, 1916.)

PERMANENT RELIEF. On November 22, 1920, Mr. King added: "The cure I spoke about in my former statement has proven permanent. I haven't had the slightest sign of kidney trouble since using Doan's Kidney Pills."

Price 60 cents, at all dealers. Don't simply as for a kidney remedy—get Doan's Kidney Pills—the same that Mr. King had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

FUTILE SEARCH FOR MONEY.

Pomeroy, Ohio, Oct. 26.—Another bubble has burst in the investigation here into the alleged financial operations of Mrs. Susan Kraus, 63, who is said to have borrowed between \$200,000 and \$300,000 from friends for investment.

Officials of Meigs county, attorneys and friends of Mrs. Kraus admitted today they had made three secret visits to Mrs. Kraus' home after dark last night.

Their quest was in search, some members of the party said, of a treasure chest which they had been led to believe contained more than \$150,000.

MRS. HATFIELD SABINA, OHIO

In Pitiable Condition when she Began
Taking Lydia E. Pinkham's
Vegetable Compound

Sabina, Ohio. — "I took Lydia E. Pinkham's Vegetable Compound for weakness and irregularity. I was weak and nervous and could hardly stand on my feet long enough to cook a meal. I was this way for about a year and had tried several medicines and had a physician, but to no avail. My sister was taking your medicine and finally induced me to try it. I now feel fine and can do my housework without any trouble at all. You can use this letter for the sake of others if you wish." — Mrs. WELDON G. HATFIELD, R. R. 3, Sabina, Ohio.

Housewives make a great mistake in allowing themselves to become so weak and nervous that it is well-nigh impossible for them to attend to their necessary household duties.

Lydia E. Pinkham's Vegetable Compound should be taken when you first notice such symptoms as nervousness, backache, weakness and irregularity. It will help you and prevent more serious trouble. Give it a fair trial. It surely helped Mrs. Hatfield, just as it has many, many other women.

Formal announcement of the resignation of Premier Facta and his entire cabinet was expected today. Several of his ministers already have quit.

His frank declaration that his organization of nearly 800,000 extreme Nationalists would fight if not granted political recognition precipitated the crisis.

CURED BY NATIVE HERB.

On board a vessel bound for India recently a man was bitten by a poisonous reptile; both the ship doctor and a famous surgeon failed to control the poison, fast spreading through his system.

In a day the vessel reached port. An Indian medicine man was sent for, who produced a native herb which quickly allayed the poison and the man's life was saved.

Roots and herbs are nature's assistants in combating disease. That well-known medicine for ailments peculiar to women, Lydia E. Pinkham's Vegetable Compound, is prepared from roots and herbs, possessing medicinal properties of great value in the treatment of such ailments.

This is proved by the letters of recommendation we are continually publishing in this paper for it.

MAN KILLED AT CHURCH DOOR AS HE ENTERS PRAY.

Irvine, Ky., Oct. 26.—Sterling Marcum was shot and instantly killed while attending a revival at Lyndtown by Arch Lynch. It is understood that bad feeling existed between the two men for some time as they had trouble a few months ago.

Marcum was in the church when his brother and Lynch's father came involved in a fist fight. Marcum rushed out and was shot by Arch Lynch as he reached the door of the church.

COURT OF APPEALS TO HEAR SIMMONS ROAD BILL TODAY.

Frankfort, Ky., Oct. 26.—The constitutionality of the Simmons Road Bill will be argued before the court of appeals tomorrow. It was announced today. The full court is expected to sit for the hearing. The Simmons Road Bill as passed by the 1922 General Assembly reorganizes the department of state roads and highways and names a new highway commission to supplant the old. The case was argued from the Franklin Circuit Court, where it was held unconstitutional by Judge Sam Hurst of Beattyville, who was acting in the absence of Judge Robert L. Stout.
